Project Details

PROJECT LOCATION: Westover Air Base, Chicopee, MA

CONTRACT NO.: #FA6606-09-C-0002

SCOPE OF WORK:

Scope of work included applying a new EIFS system to the exterior of the entire Base Supply Building representing approximately 30,000/sf. In addition, work included installation of new glass at all windows to meet blast-proof requirements, new exterior stairs at the loading dock, new overhead doors, new man doors, new sidewalks, new paint at the foundation and interior window trim. The building remained fully occupied throughout the duration of the project.

CONTRACT DOLLAR VALUE: \$1,855,094.23

CHANGE ORDER TOTAL: \$0

FINAL CONTRACT AMOUNT: \$1,855,094.23

NOTICE TO PROCEED: 1-16-2009

DATE OF SUBSTANTIAL COMPLETION: 8-31-2009

DATE OF FINAL COMPLETION: 8-31-2009

REQUIRED/CONTRACTED CONSTRUCTION DURATION: 228 Days

COMMENTS/ NOTES:

SCS performed the following work with internal forces: demolition; installation of overhead doors and man doors; carpentry; concrete forms; general labor; site cleaning; and supervision.

Challenges: Weather played a major role in the exterior EIF's system, making it difficult for our sub-contractors to complete the project on time. But the job finished as planned.
