DATE OF SUBSTANTIAL COMPLETION: 11/08/10

DATE OF FINAL COMPLETION: 11/22/10

REQUIRED/CONTRACTED CONSTRUCTION DURATION: 403 days

COMMENTS/ NOTES:

There were many items that needed funding but there wasn't any available. The team SCS and the Army worked together to de-scope and solve the outstanding issues by prioritizing.

This site had about 6 to 7 other GC's working during the summer of 2010. Everyone worked well together with minimal impact to anyone including the client.
