Project Details

PROJECT LOCATION: Knightville, Littleville & Birch Hill Dams, Western, MA

CONTRACT NO.: #W912WJ-09-C-0009

SCOPE OF WORK:

This project consisted of replacing the roofs at three USACE Dam facilities in Western, MA: Knightville Gatehouse, Littleville Gatehouse and Intake Tower, as well as the Birch Hill Gatehouse. Work performed included removing the existing EPDM Roofing Systems and installation of three new fully adhered EPDM elastomeric sheet roofing systems. The scope of work also included installation of new aluminum safety railings, roof hatches, aluminum canopies at the entry door, hardware, chimney liner, roof drains, vent covers, pedestals, lightning protection, sealants, new flashings, and painting of doors and shields.

CONTRACT DOLLAR VALUE: \$231,450.50

NOTICE TO PROCEED: 10-13-2009

CHANGE ORDER TOTAL:

DATE OF SUBSTANTIAL COMPLETION: 3-31-2010

FINAL CONTRACT AMOUNT: \$231,450.50

DATE OF FINAL COMPLETION:

REQUIRED/CONTRACTED CONSTRUCTION DURATION: 150 Days

COMMENTS/ NOTES:

Serious fall hazards existed at these sites and extreme measures were taken for precautionary protection.

The Accident Protection Plan and Contractor Quality Control plans were accepted at the first submission.

The contract was an ARRA funded project, requiring significant reporting on a quarterly basis.
